

Jonathan Daniels Elementary School
 Student Directory 2010-2011
 Parental Permission Form

Please indicate below whether or not you give your permission for The JDA to publish contact information about your child in the 2010-2011 Student Directory. The directories are provided to JD families only. We do not sell this information or provide it to any groups. Directories include school information such as school calendar, teachers' e-mail addresses, classroom lists, and a table of student names sorted by last name. Families have found this directory extremely useful in past years.

Due to privacy issues, The JDA is not able to publish student information in the Student Directory without your ***express permission***.

If your child lives at separate residences during the school year, a SIGNED form from each parent must be returned if both parents wish their contact information to be published. **Forms are due back to your child's teacher on Friday, September 10th.**

PLEASE CHECK ONE OPTION:

OPTION 1: YES. Please add my child's information to the student directory.

OPTION 2: Please only publish my child's first name and last initial in the classroom listing. Do not publish parent names or addresses.
